FAQs

Q – Which bathtubs is this waste kit compatible with?

A – This click waste is compatible with all Hemsworth II bath tubs.

Q - Is the drain pipe only suitable for use where the waste is in the floor? A - No, the pipe can be cut before the bend to enable connection between the bath tub and a waste pipe which exits through the wall if required.

Please note, the length of the drain pipe should be modified to suit the installation requirements by cutting down each end to a suitable length.
