Hanlith 1700mm Right Hand Corner Bath (Inc White Waste) INSHAN170RHCBW

FAQs

Q – What Trap is recommended for use with this bathtub?

A – We recommend using a shallow bath trap with this bath tub. For other bath traps a void below the floor level may be required.
The trap will require a 1 1/2" BSP connection to connect with the waste.

Q – Is this bathtub supplied with a waste?

A – No, bathtub slotted click wastes can be purchased separately from the Instinct bathroom collection in a range of finishes.

Q – What colour is the overflow trim?

A – The bathtub is supplied with a neutral overflow slot.

Q – Do I need to purchase a bath tub overflow kit for this bath tub?

A – No, the bathtub is fitted with an integrated overflow channel, the only additional purchase required is a slotted click waste.

Q – What filling methods are recommended for this bathtub

A – We recommend using a Freestanding Bath Filler/Bath Shower Mixer or a Wall Mounted Bath Filler.

Q – How heavy is this bathtub?

A – The unfilled weight is 39kg, the filled weight is 288kg. A structural engineer should be consulted to ensure that your floor is strong enough to support the weight of a filled bathtub.

Q – What material is used to make this bathtub?

A – This bathtub is made from a double skin of 3.2mm acrylic, each skin is reinforced by a double layer of insulating fibreglass and resin.
The bottom of the bath tub is reinforced using a 6mm thick MDF base board.

Q – Are the feet adjustable?

A – Yes, the feet are adjustable by a range of over 100mm. The feet are also installed with a ball joint to aid with levelling the bathtub.

Q – What is the overall capacity of the bathtub?

A – 249 Litres.
