Are illuminated cabinets supplied with mains cable?	All illuminated cabinets are supplied with a removeable 500mm mains cable. There is ample storage for excess cable in the back of the unit.		

*The Lumen represents the output of the LED. This may vary depending on the diffuser material i.e., glass or acrylic.
**The LEDs are not replaceable to maintain the integrity of the product's resistance to moisture ingress.
***Recessing the cabinet – the product is designed to be installed into a 100mm stud wall. Depending on fascia finishes, there may be a small gap between the cabinet frame and wall finish to accommodate sealant around the perimeter.
