

IN-100 Corrosion Inhibitor (Aerosol) 504513

Specification

Aerosol Colour Code	Yellow
Aerosol Dimensions	250(h) x 55(w) x 55(d) mm
Aerosol Volume	300ml
Aerosol Weight	0.42kg
Liquid Colour	Brown
Dosing Amount (No. of Rads / Volume)	12 / 120 litres
Shelf Life	Minimum 3 Years

Features

Usage	Prevents corrosion, hard water limescale precipitation and is essential for protecting hot water heating systems and maintaining operational efficiency.
Dose Rate	Please see next page
Application	Please see next page
Warning	Please see next page
Health and Safety	Please see next page

Key Features + Benefits

120 Litres	12 Rads			GB
Treats up to 120 litres	Treats up to 12 Radiators	Prevents Scale + Corrosion	Non-Hazardous Formulation	Made in Great Britain

Certifications + Accreditations

Cert No. 2409238

All information on the data sheet is correct at the time of publication. All measurements are approximate and subject to standard tolerances.

IN-100 Corrosion Inhibitor (Aerosol) 504513

Features

Dose Rate

Can contains sufficient chemical to treat a 120 litre system (up to 12 radiators). Minimum dosage to achieve the NSF CIAS performance specification is 0.25% v/v.

Application

Dose system via a convenient filling point-Registered design adapters are included for injection via a radiator bleed screw hole or ½" BSP fitting (e.g. radiator end plug or filling loop). Screw injector nozzle/connector into hole after isolating radiator, releasing pressure and removing bleed screw or end cap. (use cloth to avoid any spillage). Ensure tight fit and connect aerosol tube. Open 1 radiator valve, break off protective tab on top of can and inject whole contents. Close radiator valve. Carefully unscrew connector, replace bleed screw/end cap and open radiator valves.

Warning

Pressurised container – May burst if heated Keep away from heat/sparks/open flames/hot surfaces and other ignition sources. No smoking. Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.

Health & Safety

Contains gas under pressure: may explode if heated. Keep out of reach of children. Store in a well ventilated place. Dispose of contents & container in accordance with national regulations. Safety Data Sheet available upon request. **Do not use with PRIMATIC single feed cylinders.**
