INST0319

Trade Instinct 27 x 32mm Tap Back Nut Box Spanner

Description

The Trade Instinct INST0319 27x32mm Box Spanner is double ended for use on most basin and bath tap back nuts.

The Trade Instinct INST3240 8-13mm Monobloc Box Spanners are double ended for use on Monobloc taps. Using the box spanners fitted inside each other gives additional reach in tight spaces.

Both products can be used with Monument Grip+ fittings which attach to both the head of the INST0345 and to the box spanners giving even greater access to tight spots as well as the ability to extend even further with ratchet extensions
