

Taps and Stopcocks

INST0331

Trade Instinct Domestic Mains Water Mini Stopcock Key

Description

The Trade Instinct INST0331 Mini stopcock key is designed for the difficult job of turning on and off hard to get at domestic stopcocks e.g. mains cocks located in bathroom showers, cupboards under kitchen units, sinks and stiff to turn outside taps. Adds extra leverage to this difficult task. Removable tommy bar in hexagon shaft to connect to a socket and ratchet handle for ease of use in difficult areas.
