Five Function Shower Head, Chrome INSTAM169141PG

- Chrome five function shower head
- Ideal for all shower types
- Rub clean nozzles
- Universal ½" B.S.P. connection

Easy to Clean

This shower head features rub clean nozzles which are easy to unblock helping to keep limescale build up to a minimum. To clean, simply rub the surface of the shower head gently in a clockwise direction with your thumb to break away any hard water deposits which could affect the shower's performance.

Easy To Install

1. Unscrew your existing shower head from the shower hose and discard along with the old washer.
2. Clean the threads on the shower hose.
3. Position the washer supplied in the connector of your shower hose and attach it to your shower head. Do not over-tighten, finger tight only.

General Safety Advice

- For safety and convenience do not use with water above 65°C or with excessively high water pressure (max 50psi/3.5bar).
- To avoid the risk of scalding you should always check the water temperature before entering the shower.
- Always take care when using hot water, especially with children and NEVER leave a child unattended in the bathroom.
