

### Instinct Pro 15mm + 22mm Compression Fitting Olive Puller INST2036

#### Specification

Finish	Brass
Dimensions	150(h) x 60(w) x 40(d) mm
Weight	0.222kg
Product Material	Brass Body
Adjustment Range	15mm & 22mm
Country of Origin	Britain
For Use With	Copper Pipe Fitting
Packaging Type	Skinpack

#### Features

The Instinct Pro INST2036 works by engaging the tool in the end of the copper pipe and then winding the appropriate bush - 15mm and 22mm included - counter clockwise until it stops at the olive to be removed. The threaded bush is then screwed into the compression nut which is held captive on the pipe on the other side of the olive. Then by rotating the handle clockwise the compression fitting nut is drawn up the pipe and pulls the olive off the pipe without damaging it.

Additionally there is a power tool drive to make this indispensable tool even more useful! **Just remember to have your drill set to drive not reverse**
