

Instinct Pro Omat® 250mm (10") Soldering + Brazing Pad INST2361

Specification

Finish	–
Dimensions	240(h) x 240(w) x 5(d) mm
Weight	0.184kg
Product Material	Glass Fibre Yarn
Adjustment Range	–
Country of Origin	Britain
For Use With	Torch and Gas
Packaging Type	Skinpack

Features

The Instinct Pro INST2361 OMAT® is a patented, slotted protection mat for soldering pipes and tubes to protect walls, cables, carpets and other flammable material. The OMAT® slot has an overlap at the back which enables the protective mat to go either side of the tube or pipe being soldered so as to protect the surrounding area from burning or scorching as well as reducing the risk of fire. It is particularly useful under kitchen units and on pipes perpendicular to the wall where the use of a non-slotted mat would not easily cover the area. The OMAT® is designed for use on pipes and tubes 15 to 22mm diameter.
