

### Instinct Pro 6mm-28mm Plastic Pipe Cutter INST2644

#### Specification

Finish	Black / Yellow
Dimensions	195(h) x 70(w) x 20(d) mm
Weight	0.163kg
Product Material	Glass Filled Nylon
Adjustment Range	6mm - 28mm
Country of Origin	Britain
For Use With	Plastic Pipe
Packaging Type	Skinpack

#### Features

The Instinct Pro INST2644 plastic pipe and tube cutter is a high quality tool for use by professional plumbing installers (Plumbers), heating and ventilation engineers and electricians. It is for use on plastic pipe with diameters from 6mm and up to 28mm and designed to facilitate a square cut on plastic pipe and tube including plastic conduit and plastic plumbing overflow pipe.

The two handles are made from high quality engineering plastic for strength and longevity of the tool. The cutting blade is made from stainless steel and can be replaced easily. There is a 100mm scale on the handle to help facilitate the measurement of small lengths of cut.
