For Use With	-
Packaging Type	Skinpack

Features

The Instinct Pro INST4140 150mm 6inch & Instinct Pro INST4141 200mm 8inch Thin Jaw Adjustable Wrenches have soft, anti-slip material handles and ensure a comfortable and strong grip. The jaw configuration of the wrench results in a stronger and better 'tool to fastener' contact point, providing a substantially durable tool.

Also available as a twinpack INST41499 containing one each of the 6inch and 8inch versions.

Capacities are 34mm for the 6inch and 38mm for the 8inch version.
