FAQs

Q – Can a wall hung frame be used inside the BTW unit?

A – No, a concealed cistern is required. Please see brochure.

Q – Do the fascia's come pre-drilled?

A – No, this must be done to suit the cistern / pan selected.

Q – Are the fascia's removable?

A – Yes, they are on quick release clips.

Q – How do I fix the unit to the wall?

A – You can secure it to the wall drilling through the back brace using the pre-drilled holes.

Q – What flush button can be used for this unit?

A – All Instinct branded flush buttons are suitable.

Q – What cistern is a suitable size for this unit?

A – All Instinct branded cisterns are suitable for unit. Non branded products should be checked by installer.
