Spray Foam After Shower Cleaner 504988

Features

Dose Rate

Product is supplied ready to use. Turn nozzle 'ON'. Spray a light mist over wet surfaces from a distance of 20 - 25cm after showering. No need to wipe or rinse. For best results on glass and glazed tiles wipe with a squeegee blade. Over application may cause streaking - if this occurs, rinse and wipe with a cloth, then re-apply more thinly. Turn nozzle to 'OFF' after use.

Care Information

- Always test on an inconspicuous area before use.
- Store bottle upright.

Health & Safety

- This product has no classification under CLP.
- Keep out of reach of children.
- Dispose of contents/container in accordance with national guidelines.
- Safety Data Sheet available upon request.
